EDUCATION

- Ph.D. **The Ohio State University, Columbus, Ohio, USA, 2014**
Waning and waxing of mountain glaciers in South America: a modeling approach over multiple spatial and temporal scales
 Committee: Dr. Bryan Mark (adviser), Dr. David Bromwich, Dr. Michael Durand, Dr. Jialin Lin, and Dr. Lonnie Thompson.
- M.Sc. **Universidad Austral de Chile, Valdivia, Chile, 2009**
Patterns and Controls in the distribution of Chilean glaciers: the memory of the landscape
 Adviser: Dr. Mario Pino.
- Bs. **Universidad de Chile, Santiago, Chile, 2001**
 Professional license in 2003.

ACADEMIC APPOINTMENTS

- 2022 - to date: **Director (Chair)**, Programa Ciencia Interdisciplinaria para las Montañas de los Andes del Sur (CIMASur), Universidad de Concepción.
- 2022 - to date: **Full Professor**, Universidad de Concepción, Chile, Department of Geography.
- 2016 - 2022: **Associate Professor**, Universidad de Concepción, Chile, Department of Geography.
- 2015 - 2016: **Assistant Professor**, Universidad de Concepción, Chile, Department of Geography.
- 2014 - 2015: **Postdoctoral Researcher and Research Associate**, The Ohio State University, USA, Byrd Polar and Climate Research Center.
- 2010 - 2014: **Graduate Research Associate**, The Ohio State University, USA, Byrd Polar and Climate Research Center & Department of Geography.
- 2007 - 2010: **Instructor Professor** (equivalent to lecturer), Universidad de Concepción, Chile, Department of Geography.
- 2006 - 2007: **Adjunct Professor** (equivalent to lecturer), Universidad de Playa Ancha de Ciencias de la Educación, Chile, Division of Geography.
- 2000 - 2002: **Teaching and Research Assistant**, Universidad de Chile, Chile, Department of Geography.

COURTESY ACADEMIC APPOINTMENTS

- 2020 - present: **Affiliated Faculty**, University of Texas at San Antonio, USA, Department of Earth and Planetary Sciences & NASA-MIRO Center for Advanced Measurements in Extreme Environments (CAMEE).

AWARDS AND HONORS

- 2024: **Gordon Research Conference on Climate Engineering**: Addressing Key Process and Impacts of Earth System Response to Solar Radiation Modification. Invited Speaker (Invitation-only conference):
<https://www.grc.org/climate-engineering-conference/2024/>
- 2023-2025: **Alexander von Humboldt Foundation**: Humboldt Research Fellowship for experienced researchers.
 Host institution: Friedrich-Alexander-Universität Erlangen-Nürnberg
- 2022: **Nature, Google & O'Reilly**: Sci-Foo Camp, X (ex-Google) complex, Palo Alto, CA, USA. (Invitation-only conference)
- 2021: **Universidad de Concepción**: University-wide prize for scholarship and teaching.
- 2019: **National Geographic Society**: Water Tower Convening, invited as expert on Mountain topics by the Life at the Extremes program (20 world's experts invited), January, National Geographic Headquarters, Washington, D.C.
- 2016: **World Meteorological Organization - CORDEX program**: Early-career scholarship for attending the International Conference on Regional Climate-CORDEX, Stockholm, Sweden.
- 2014: **E. Willard and Ruby S. Miller** fellowship for best academic achievement. Department of Geography. The Ohio State University.
- 2013: **T.R Lakshmanan and Lata R. Chatterjee** Graduate Scholar in Geography. Department of Geography. The Ohio State University.
- 2012: **The Fenburr Travel Scholarship** Department of Geography The Ohio State University.
- 2010: **Best graduate award**. College of Sciences. Universidad Austral de Chile.
- 2009: **Chile government fellowship** for Graduate Studies in the United States.

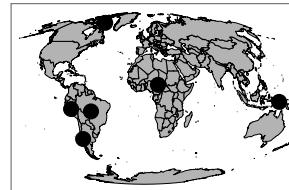

RESEARCH EXPERIENCE

TOPICS

Glacier-Climate interactions
Water resources
Hydroclimatic changes and modeling
Coupled human and natural systems
Mountain Geography
Geomorphology

LOCATIONS

Tropical Andes
Subtropical Andes
Sub-Saharan Africa
Amazon Basin
Papua New Guinea
Pan-Arctic

GRANTS

- 2023 - 2025: **PI:** DEGREES Modelling fund (Degrees initiative and The World Academy of Sciences), Andean glacier-climatic interactions under solar radiation modification geoengineering [SRMG] (USD \$57,120).
Role: Coordination, climatic analysis, glacier modeling.
- CO-I:** FONDECYT-Regular call: Modeling mountain streamflow and hydroclimate-elevation feedbacks in the Andean Araucania of Chile.
Role: Climatic analysis.
- 2022 - 2024: **Director (Chair):** Programa Ciencia Interdisciplinaria para las Montañas de los Andes del Sur (CIMASur), Universidad de Concepción.
Role: Research coordination and administration.
- Co-I:** FONDEF-ANID: Implementación de una infraestructura de datos geoespacial geomorfológica (I2GEO), para la región del BíoBío: una herramienta estandarizada para la planificación territorial.
Role: Coordination of mountain geomorphology analysis.
- Co-I:** National Geographic Society, Changing landscapes: From glaciers to lakes.
Role: Fieldwork measurements on glaciers.
- 2021 - 2024: **PI/Director:** ANID-ANILLO program: Cold-Blooded: Drivers of Climate Change Refugia for glaciers and streamflow responses.
Role: Project coordination, paleoclimatology, glacier numerical modeling.
- CO-I:** Ministry of Education - Chile: UCO21102: Fortalecimiento de la interdisciplina en formación e investigación de la Universidad de Concepción.
Role: Project coordination.
- 2022 - 2023: **PI:** Universidad de Concepción - Undergraduate Teaching Office - internationalization program: Linking three languages at once: Do you speak climate change and food security?.
Role: Project coordination.
- CO-I:** ANID-Fomento a la vinculación internacional: Fortalecimiento del intercambio y vinculación internacional de investigación y formación de recursos humanos para el estudio de cambios en el paisaje y sus efectos en ambientes de montaña.
Role: Project coordination at Universidad de Concepción.
- 2021 - 2022: **CO-I:** VRID (Vicerrectoría de Investigación y Desarrollo - Universidad de Concepción), Postdoctoral Research: Rock glaciers at the Sierra del Brujo (34.3°S - 70.2°W). Understanding their dynamics at the southern margin of the mountain permafrost region, Semiarid Andes of Chile.
Role: Sponsorship, advising and coordination.

- 2020 - 2023: **PI:** FONDECYT-Regular call: Trajectories of glacier volume in the Sierra del Brujo, Central Chile ($34^{\circ}30'S$) under the RCP8.5 scenario using reanalysis of multidecadal geodetic mass balance and coupled atmosphere-cryosphere modeling.
Role: Project coordination, photogrammetry, glacier numerical modeling.
- International Co-I:** Establishing a peer-to-peer international and inter-university team with citizen-science monitoring to address climate resilience and food security. Bridgewater State University.
Role: Project coordination in Chile.
- 2020 - 2021: **PI:** Ministry of Public Works: Supporting detailed monitoring of Nevados de Chillán, Ñuble region, central macro-zone, 2020-2021.
Role: Project coordination, glacier mass balance monitoring.
- 2018 - 2019: **PI:** Planet's Education and Research Program: Near-real time monitoring of glacier features in Central South Chile (CSC): a tool to improve mountain hydrology forecasts (unrestricted access to high resolution satellite imagery).
Role: Project coordination, weekly imagery analysis.
- PI:** National Geographic Society, Late Holocene glacier fluctuations in Central-South Chile: filling the gap that becomes critical in projected hydroclimatic scenarios.
Role: Project coordination, rock sampling and glacier reconstruction.
- Co-I:** APECS and Partners Review of the IPCC's reports - SROCC and WGI and WGII AR6.
Role: Coordination of review of the chapter dedicated to High Mountain Areas.
- 2017 - 2019: **PI:** FONDEF - CONICYT (Chilean Fund for Development of Science and Technology - Chilean Council for Science and Technology): Implementation and validation of an early warning system for hydrometeorological hazards based upon unmanned aerial vehicles.
Role: Project coordination, weather-climate analysis, flooding modeling.
- 2017 - 2020: **Co-I:** FONDECYT-CONICYT (Chilean Fund for Science and Technology - Chilean Council for Science and Technology): Incendios forestales, pérdida de diversidad y debilitamiento de economías campesinas, en el contexto del modelo forestal Chileno (Wildfires, biodiversity loss and weakening of rural economies under the Chilean forestry model).
Role: Fire hazard modeling under different hydroclimatic and land-cover scenarios.
- 2017 - 2018: **Co-I:** Banco de Desarrollo de América Latina (CAF): Estudios del índice de vulnerabilidad y riesgo de Territorio del Área Metropolitana de Valparaíso al Cambio Climático e identificación de las respectivas medidas de adaptación (Studying climate change vulnerability and risks of the Valparaíso Metropolitan Area and identification of adaptation measures).
Role: Dynamical downscaling of CMIP5 projections and calculation of climate indices.
- 2016 - 2019: **PI:** FONDECYT-Iniciación: Developing mechanistic understanding of the snowline's role on the differential climatic sensitivity along mountain glaciers. USD \$130,000 (competitive grant with 30% success rate on average).
Role: Project coordination, analysis of climatic data, climatic numerical modeling aloft glacierized and snow covered areas.
- 2015 - 2019: **Co-I:** Ohio Supercomputer Center funded project: AMAZONIAN-LINCAGES: Amazonian Land-cover-INDuced Climate And Glacier Enhanced System (PAS0538-2).
Role: In charge of running climatic simulations using the WRF regional climatic model. Using model output to force a glacier model in the Peruvian Andes.
- 2014 - 2017: **Postdoctoral Researcher** NSF-funded project: Exploring Social, Ecological, and Hydrological Regime Shifts in the Logone Floodplain of Cameroon (<https://mlab.osu.edu/morsl>).
Role: Cooperation in the writing process (in charge of the hydroclimatic section), In charge of hydraulic-hydrologic modeling, remote sensing analysis, and climatic analysis.

- 2012 - 2014: **Co-I:** Ohio Supercomputer Center funded project: Climatic forcing on glacier surface mass balance changes along north-central Peru: a modeling perspective (PAS0538-1).
Role: In charge of running climatic simulations using the WRF model. Developing of a glacier mass balance model.
- Co-I:** Association of American Geographers Dissertation Research Grant: Waning and waxing of mountain glaciers in South America: a modeling approach over multiple spatial and temporal scales.
Role: Developing of a glacier mass balance model.
- 2009 - 2011: **Co-I:** Research office Universidad de Concepción: Scientific tourism in Chilean Patagonia: a proposal of touristic circuits related with glaciers in south Aysén.
Role: In charge of glacier mapping in Patagonia using remote sensing and GIS.
- Co-I** Research office Universidad de Concepción: Evaluating natural risks on a socioeconomically-degraded territory in provincia de Arauco, VIII region.
Role: In charge of geomorphometry analysis using GIS and remote sensing.
- 2008 - 2010: **PI** Research office Universidad de Concepción: Volume fluctuations of Sierra Velluda glaciers in the last decades, and the impact on the natural landscape of the Laguna del Laja National Park.
Role: Project coordination, remote sensing of snow and ice, and climatic analysis.
- Co-I** Research office Universidad de Concepción: Chilean Oceanic Island region: diagnosis of the physical setting for their integration and sustainable development.
Role: In charge of topographic measurements, geomorphometry analysis and topographic surveying.
- 2007 - 2009: **Co-I** Research office Universidad de Concepción: Holocene uplift rate of the shore at Talcahuanco-Coronel and its relationship with subduction earthquakes.
Role: In charge of topographic measurements and geomorphometry analysis using using DEMs and topographic surveying.

- **2012.** Melting in the Andes: Goodbye glaciers (Alfonso Fernández featured as Ph.D. student). Barbara Fraser, Nature 491: 180-182 (<https://goo.gl/QsAMQV>).

TECHNICAL SKILLS

- **Field sampling:** Water/snow/ice, Cosmogenic nuclides, Tree-rings, Sediments, Radiometry (Remote sensing calibration).
- **Field mapping:** Differential GPS, Geomorphic mapping, Topographic surveying, UAV mapping.
- **Programming/Computing:** Linux shell scripting, R, IDL/GDL, L^AT_EX, Julia, Matlab/Octave, Python, NCL, CDO, Netlogo, Fortran.
- **GIS and Remote sensing:** ArcGIS, CarisGIS, ENVI, ERDAS, GlobalMapper, GRASS, IDRISI, Ilwis, MapWindows, PCI Geomatica, QGIS, SagaGIS.
- **Third-party models:** Cellular automata ice flow model (Harper and Humphrey, 2003, GRL), Glacier-climate model (Plummer and Phillips, 2003, QSR), SWAT (Hydrology), WRF (Weather/Climate modeling), LISFLOOD-FP (Hydraulic modeling).
- **Laboratory:** Elemental chemical analysis (ICP-OES/MS) for trace metals, Ion Chromatography for major ions, and sedimentology.
- **Languages:** Spanish (native speaker), English (full professional proficiency).

SUMMER AND PROFESSIONAL SCHOOLS ATTENDED

- **2016:** Regional Climate Model Evaluation System (RCMES - NASA-JPL) training session at ICRC-CORDEX 2016, Stockholm, Sweden.
- **2014:** NASA-JPL Earth Observations Summer School. Pasadena, California, USA. Travel scholarship from NASA-JPL (<http://goo.gl/2X8Bsx>).
- **2013:** 1st International ACCION/UNESCO Climate School on "Andean Climate Variability and Change". Lima, Peru.
- **2013:** WRF (Weather Research and Forecasting) model tutorial. NCAR, Boulder, Colorado, USA.
- **2011:** Karthaus Summer School on Ice Sheets and Glaciers in the Climate System, Karthaus, Italy (<https://goo.gl/SGCQio>).
- **2009:** Postglacial Isostatic Rebound Modeling Course, COST Initiative ES0701, Landmateriet, Gävle, Sweden.
- **2008:** Paleoclimatology Course, Instituto Argentino de Nivología y Glaciología (IANIGLA), CONICET, Mendoza, Argentina.
- **2008:** Course-workshop on Idrisi Andes, Centro Interamericano del Recurso Agua (CIRA), Universidad Autónoma del Estado de México (UAEM), Toluca, México.
- **2008:** Dinámica y Evolución Costera, Departamento de Geografía, Universidad de Concepción. Fees funded by the Universidad de Concepción.
- **2000:** Field course on Dendroglaciology, Casa Pangue glacier, Chile. Inter American Institute for Global Change Research (IAI).

PROFESSIONAL AND ACADEMIC SERVICE

2011 to date

- Director, Universidad de Concepción Program on Mountain Sciences (CIMASur - 2022 to date).
- Director, Ph.D. program Estudios Territoriales del Sur Global, Universidad de Concepción (2021-2022).
- Advisory member International Union for Quaternary Research's Stratigraphy and Geochronology Commission (INQUA-SACCOM, <https://www.inqua.org/commissions/saccomm/people> - 2021 to date).
- Organizing committee third meeting of the Chilean Cryosphere Society (www.sochicri.cl-2022).
- Steering Committee for EarthArXiv, the free preprint service for the Earth Sciences (<http://eartharxiv.org>, 2018-2020).
- Founding member of the Chilean Cryosphere Society (www.sochicri.cl).
- Chair of the session entitled "Climate change: Climate, glaciers, adaptation and resilience", Chilean Geographical Society annual meeting (<https://goo.gl/ZPNbyU> - 2018).
- Director fieldwork committee for the Chilean Geographical Society annual meeting (<https://goo.gl/ZPNbyU> - 2018).
- Convener of two sessions entitled "Understanding the High-Mountain Water Cycle and Cryosphere in the Anthropocene" (C33D and C41F) at the Fall meeting of the American Geophysical Union (together with Walter W. Immerzeel, Joseph M. Shea, and Jakob F. Steiner - 2017).
- Judge for the Outstanding Student Paper Award (OSPA) program at the American Geophysical Union (AGU) fall meeting (2017).
- Lecturer in the hydroclimatic session, international summer school and workshop on "Complex systems", Ngaoundere, Cameroon, May (<https://goo.gl/FHFbdi> - 2017).
- Host of the webinar "Research Processes and Politics in the Peruvian Andes" (speaker, Dr. Mark Carey), Association of Polar Early Career Scientists (<https://vimeo.com/235444089> - 2017).
- Host of the webinar "The first and only ice core histories from the Kilimanjaro ice fields" (speaker, Dr. Lonnie Thompson), Association of Polar Early Career Scientists (<https://vimeo.com/218875030> - 2017).
- Judge for the Outstanding Student Paper Award (OSPA) program at the American Geophysical Union (AGU) fall meeting (2015).
- American Geophysical Union. Student member at the Executive Committee, Earth and Planetary Surface Processes focus group (2013).
- Personnel committee representative, Geography Graduate Organization (GGO) executive committee member 2013-2014.
- Member of the organizing team for the GGO spring panel "Restoring our rivers, imagining our future: The Olentangy in Columbus", April 4th (2013).
- Organizing session in AAG annual meeting: Global environmental changes in mountain land-water-scapes (sponsored by the Mountain Geography, Geomorphology, and Cryosphere Specialty Groups - 2013).
- Panelist in AAG session: Geography in the Americas: Making the Most of Student Exchanges for Research and Study Abroad (organized by the Latin America Specialty Group - 2013).
- Presentation for Ohio State University Geography 2800 (prof. Alvaro Montenegro). Class size: 36 students (2013).
- Scientific advisor for the AAC Nikwax Alpine Bellwether Grant "Significant Glaciers of Chile: Ice, Water and Community Survival near Santiago, Chile" (<https://bit.ly/2jUOUg5> - 2011).

MENTORING & ADVISING

POSTDOC MENTORING

- Dr. David Farías - 2021 to 2022. Currently Associate Professor, Department of Geography, Universidad de Concepción (SIA program from ANID).
- Dr. Mariajose Herrera - 2022 to 2023. Currently Associate Professor, Department of Geography, Universidad de Concepción.
- Dr. Jan Arndt - 2022 to 2004. Currently: Senior Lecturer, Institute of Geomatics, Boku University, Austria

STUDENT ADVISING

Ph.D.

- Vanúcia Schumacher, Ph.D. in Applied Meteorology, Universidade Federal de Viçosa, graduated in 2019 (co-adviser with Dr. Flavio Justino).
- Sofía Navas, Ph.D. in Geological Sciences, Universidad de Concepción (co-adviser with Dr. Edilia Jaque).
- Francisco Castro, Ph.D. in Geological Sciences, Universidad de Concepción (co-adviser with Dr. Edilia Jaque).
- Jorge Oviedo, Ph.D. in Geological Sciences, Universidad de Concepción, (co-adviser with Dr. Joaquín Cortés).
- Hazem Mahmoud, Ph.D. in Environmental Science and Engineering, University of Texas at San Antonio (co-adviser with Dr. Hongjie Xie).

Masters.

- Natalia Carmona, Master in Geographical Analysis, Universidad de Concepción, 2017.
- Alan Pinos, Master in Geographical Analysis, Universidad de Concepción, 2019.
- Isabella Ciocca, Master in Regional Sciences, Universidad de Concepción, 2021.
- Andreaw Rifo, Master in Regional Sciences, Universidad de Concepción, 2023.
- Belén Cartes, Master in Geographical Analysis, 2023.
- Juan Varas, Master in Geographical Analysis, 2023.
- Gianni Leal, Master in Geographical Analysis, 2024.
- Felipe Pino, Master in Geographical Analysis, ongoing.

Undergraduate

- Marcos Gómez, Bs. Geography, Universidad de Concepción, 2009.
- Rodrigo Sáez, Bs. Geography, Universidad de Concepción, 2009.
- Andrés Santana, Bs. Geography, Universidad de Concepción, 2009.
- Juan Varas, Bs. Geography, Universidad de Concepción, 2017.
- Iván Belmar, Bs. Geography, Universidad de Concepción, 2017.
- Mauricio Aleuy, Bs. Geography, Universidad de Concepción, 2018.
- Walter Bravo, Bs. Geography, Universidad de Concepción, 2019.
- Patricio Torres, Bs. Geography, Universidad de Concepción, 2019.
- Gianni Leal, Bs. Geography, Universidad de Concepción, 2019.
- Abimelec Jesús, Bs. Geography, Universidad de Concepción, 2020.
- Manuel Suazo, Bs. Geophysics, Universidad de Concepción, 2023.
- Ignacio Ortiz, Bs. Geography, Universidad de Concepción, 2023
- Javiera Bustamante, Bs. Geography, Universidad de Concepción, 2024
- Patricia Lagos, Bs. Geography, Universidad de Concepción, 2024
- Ramón Herrera, Bs. Geology, Universidad de Concepción, 2024
- Carlos Pérez, Bs. Geography, Universidad de Concepción, ongoing.
- Carlos Almendras, Bs. Geography, Universidad de Concepción, ongoing.

- Camila Eriz, Bs. Geography, Universidad de Concepción, ongoing.
- Camila Contreras, Bs. Geography, Universidad de Concepción, ongoing.
- Ignacio Vargas, Bs. Geology, Universidad de Concepción, ongoing
- Gabriela Zurita, Bs. Geography, Universidad de Concepción, ongoing.

COMMITTEE MEMBER

Postgraduate

- Luis Astudillo, Ph.D. in Geological Sciences, Universidad de Concepción, 2022.
- Javiera de la Peña, Master in Geographical Analysis, Universidad de Concepción, 2017.
- Constanza Jorquera, Master in Geographical Analysis, Universidad de Concepción, 2023.

Undergraduate

- Javiera Yagi, Bs. Geography, Universidad de Concepción, 2021.
- Claudia Fuentes, Bs. Geography, Universidad de Concepción, 2021.
- Julio Parra, Bs. Geography, Universidad de Concepción, 2015.
- Ingrid Cornejo, Bs. Geography, Universidad de Playa Ancha de Ciencias de la Educación, 2006.
